Fort Ransom State Park to host talk on the Forests of ND

Bob Harsel of the North Dakota State Forest Service will present a program at Fort Ransom State Park called "Forests of North Dakota." The program will be a look at the native trees and forested regions in North Dakota and it will begin at 8 p.m. in the park amphitheater September 16.

Other activities during the weekend of September 16 and 17 include a tour of the historic Sunne farmstead at 2 p.m. on Saturday, September 16; and a nature hike with the interpreter along the Valley View Trail at 10 a.m. and a Dakota Explorers children's program at 1 p.m. on Sunday, September 17.

All vehicles entering Fort Ransom State Park for these or other events are required to either display an annual park entrance sticker or pay daily park entrance and/or camping fees. Fees collected help keep the parks open and maintained.

Fort Ransom State Park is located 34 miles south of Valley City, 20 miles northwest of Lisbon, or 2 miles north of the town of Ft. Ransom in southeastern North Dakota. For more information, go to <http://www.parkrec.nd.gov> or call (701)-973-4331.

Play in our backyard!
